SUBMISSION OF SUBSTITUTE 1449

Assistant Commissioner for Patents  
Washington, DC 20231

Upon review of the 1449 form submitted with the Information Disclosure Statement and 1449 filed on August 17, 2000, applicants have discovered that it contained some typographical errors in the citations for the references provided with the Information Disclosure Statement. During a November 14, 2000 telephone call, the undersigned spoke

with the Examiner and explained that the reference citations inadvertently contained these typographical errors.

Applicants herein request that the Examiner replace the previously filed 1449 with this Substitute 1449.

Applicants wish to thank the Examiner for her assistance in this matter.

Respectfully submitted,

Date: November 14 2000
